LIVE-IN-LAB

3 cr

This initiative is to provide opportunities for students to get involved in coming up with solutions for societal problems. The students shall visit villages or rural sites during the vacations (after second semester or fourth semester) and if they identify a worthwhile project, they shall register for a 3-credit Live-in-Lab project, in the fifth semester. The objectives and projected outcome of the project should be reviewed and approved by the Dept. Chairperson and a faculty assigned as the project guide. On completion of the project, the student shall submit a detailed project report. The report shall be evaluated and the students shall appear for a viva-voce test on the project.

18COM399

PROJECT

6 Cr

Every student will have to do an assigned project work on a particular topic relevant to the area of their study. The project is meant to evaluate the concepts learnt by the student during all the semesters and the application of such concepts in a real life situation. The final project

evaluation will be done at the end of the semester on the basis of the dissertation submitted by the student duly signed by the project supervisor.
