“Children should be taught the art of relaxation, how to be at ease. If they don’t feel relaxed, how can they learn? Without relaxation, no real learning is possible. This is the first lesson that clearly needs to be understood. It is very important that parents & teachers understand this before they ask the children to do something”.

-AMMA
AMRITA COLLEGE OF NURSING

The Amrita College of Nursing is committed to excellence in nursing education, research and development of leadership skills and human values. Situated within the Health Sciences campus in an exclusive building, the College provides an ambience comprising state-of-the-art infrastructure, unparalleled technical expertise, diligent faculty, and above all, the instilling of values based on the rich Indian tradition and ancient culture. The Amrita College of Nursing (recognized by Kerala Nurses' & Midwives' Council and Indian Nursing Council) is a center for observation visit by students and faculty in and outside the state. It is the first college to start M.Sc. Nursing in the self-financing sector in Kerala in 2009.

VISION

To be a global center of excellence in providing quality nursing education rooted in values, research and in preparing professionals to lead safe, dynamic nursing practice for human welfare through clinical partnerships.

MISSION

Amrita College of Nursing is committed to:

- Provide nursing education programmes to prepare professionals capable of providing safe, comprehensive and compassionate nursing care in an ever changing health care environment.
- Prepare value oriented advanced practice nurses, educators and administrators (capacity building).
- Enhance research that improves quality of life of individuals/families and also has an impact on nursing practice.
- Integrate nursing education, research and practice for human welfare through clinical partnerships.

AIM

To prepare professionals capable of providing leadership built on humanistic values, scientific knowledge and collaboration in the realm of nursing at various levels in a wide variety of settings.

OBJECTIVES

- To prepare nurses competent in providing safe, comprehensive and compassionate care in a wide variety of settings.
- To prepare nurses to take leadership in the health care team for preventive, promotive, curative and restorative health care.
- To prioritize the comfort and wellbeing of the people under care.
- To demonstrate skills in teaching, management and nursing research appropriate to the
level of course.
• To ensure the growth of the profession and humanity through clinical partnerships.
