**August 2022**

*A mighty, ambitious work — and it couldn't be more timely. There is a beauty of riches here, the mixed genres working harmoniously together as they enhance the overall argument. The voice carefully steps away from didacticism or rhetoric, finding beauty and grace in its journey across the pages.*

— LAVANIA SONGER, poetry editor, *Faber & Faber*

## ANTHROPOCENE *climate change, contagion, consolation*

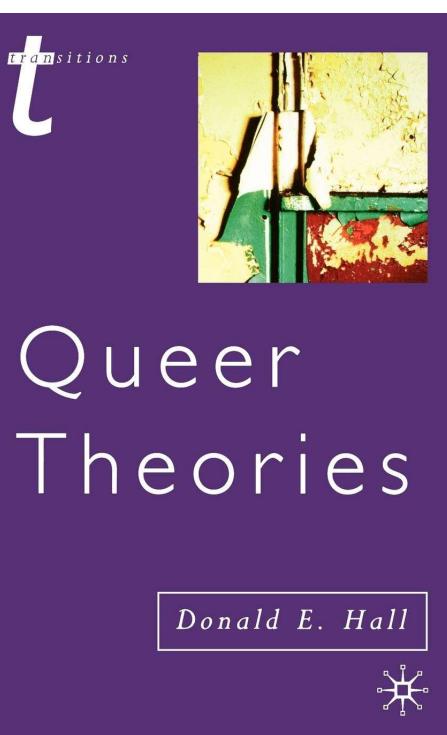

SUDEEP SEN
