VISHWA VIDYAPEETHAM
DEEMED TO BE UNIVERSITY

We are delighted to invite you to our podium discussion on “Future Trends of Social Work” at the UNESCO Chair for Gender Equality and Women’s Empowerment, taking place on July 21st, 2021 (3 pm IST).

Social workers demonstrated the importance of their profession throughout the global pandemic crisis, and we anticipate an increase in job opportunities in the social work profession. In fact, - according to the U.S. Bureau of Labor Statistics, the expected growth of the social work profession between 2019 and 2029 is 13 per cent (whereas the average growth of all occupations is 4 percent). This trend shows that social work is one of the fastest-growing professions in the United States and Europe. Due to this immense growth rate and today’s global challenges, social work has been adapting to meet the demands of the shifts in society’s needs. This type of degree offers many more job possibilities than previously imagined - from top management positions to hands-on work with clients and patients.

The podium discussion of the UNESCO Chair’s Center for Women’s Empowerment and Gender Equality brings together different perspectives to elaborate and explore the upcoming Future Trends of the Social Work Profession.

Invited guests are

- School Students
- Faculty members
- Schoolteachers
- AMRITA Alumni
- Industry Partners

We welcome warmly
our special Guest

Dr. Prashant Nair IAS

We are looking forward to seeing you.
