OUR CHANCELLOR

HER HOLINESS SRI MATA AMRITANANDAMAYI DEVI

OUR GUIDING LIGHT AND INSPIRATION

“Children should be taught the art of relaxation, how to be at ease. If they don’t feel relaxed, how can they learn? Without relaxation, no real learning is possible. This is the first lesson that clearly needs to be understood. It is very important that parents & teachers understand this before they ask the children to do something”.

-AMMA
M.Phil. in CLINICAL PSYCHOLOGY

Clinical psychology as one of the core disciplines in the area of mental health/illness has grown significantly in the last two decades. Mental health problems are continuously on the rise owing to change in life style, habits and mounting stress in personal/occupational/social domains across various sections of the society. Clinical Psychologists apply knowledge and methods from all substantive fields of bio psychosocial sciences for promotion and maintenance of mental health of individuals.

The aim of this course is to prepare the trainee to function as a qualified professional Clinical Psychologist in the areas of mental and physical health by offering Diagnostic, Therapeutic, Rehabilitative, Administrative services, and to work towards promoting the well-being and quality-of-life of individuals.

M. Phil. Clinical Psychology program provides a cohesive and meaningful training so that the trainees develop to their fullest potential and shall be able to discharge their responsibilities competently as clinicians, teachers/trainers, researchers and administrators in the field of mental health. The aim of this course is to prepare the trainee to function as a qualified professional Clinical Psychologist in the areas of mental and physical health by offering Diagnostic, Therapeutic, Rehabilitative, Administrative services, and to work towards promoting the well-being and quality-of-life of individuals. The course is developed as a rigorous two-year program with extensive theoretical inputs and widespread clinical experience to acquire the necessary skills in the area of Clinical Psychology.
